Important Terms to Remember

- Short Rate – Pay approximately 40% of the full premium since you were insured from the time the wheat was sown until March 15th. Coverage is terminated at this time.
- Termination Date – Premiums must be paid by sales closing date of the following year.
- Continuous Policy - A policy remains active until canceled in writing by the insured. The policy will remain at the same level each year unless coverage level is changed on a new application by Sales Closing Date.
